(Credit card payments are not applicable for this tour)

We will not be doing online/credit card payments due to the overall cost of the tour. All About Destinations would have to charge a 3.5% additional fee to each payment to offset what we are charged to process online payments. This would increase the cost of the trip almost \$200 unnecessarily. Checks/cashier's checks/money orders should be made out to All About Destinations and mailed to the address at the top of this registration form. Deposits will be accepted after January 1, 2025. Once your deposit has been received, you will receive a confirmation and an outline of the remaining payment schedule. In addition, we will gladly work with you if you need to alter the schedule to align with your financial situation. Also, we will be working individually with those participants who plan of meeting the group in England and purchasing the LAND package only.
